Officer Rogge reported that vehicle theft continues to be a problem in the city. Suspects are either smashing windows to gain entry or simply checking for open doors. Recently, a suspect was apprehended, with assistance from a neighboring cities police department, after discharging a weapon in a city parking lot downtown. In another case, neighbors helped apprehend a driver under the influence after hitting another vehicle. Although Officer Rogge appreciated the assistance of the public, he also advised the importance of not becoming physically involved so as not to get hurt. License plates numbers and video or still footage photography is just as helpful. Another vehicle was stopped for a DUI with a child in the car, which resulted in an arrested and multiple charges being filed. . Officer Rogge indicated it was National Police Week which was started in 1962 by JFK, Officer Rogge reported that two

She asked if she could go to other surrounding areas to let people know about the program. Chairman Wong suggested that for now it would be good to concentrate on her area. Robert sent Bo Smith the NW flyers in English with Spanish to follow. Officer Rogge said the SBPD can provide flyers if the neighborhood was not available to do so. NW signs will be distributed once the group is firmly established. It was suggested that Letty and her group hold regular meetings and share any information with the police department. Letty said she had the emails for the people in the east Huntington area. She also said that relations with the SBPD were not that good and that trust needed to be regained.
